

SMART SOLUTIONS. STRONGER INDUSTRIES.

We TM Tech Solutions provide the design and manufacturing of automation solution for ease and smooth running of industrial work.

OUR SERVICES

SPECIAL PURPOSE MACHINE

High performance machines built for specific industrial applications.

FABRICATION WORK (SS BINT & ALUMINIUM)

Precision fabrication with SS Bint & Aluminium for durability and strength.

SAFETY FENCING, GUARDING, ENCLOSURES

Safe work environment with custom fencing, guarding and enclosures.

CUSTOM BUILD AUTOMATION FOR INDUSTRIES

End-to-end automation solutions tailored to your industry needs.

IN-HOUSE DESIGN SERVICES

Concept to creation with expert in-house design & engineering.

WE BUILD SPECIAL PURPOSE MACHINE ARE AS

SPECIAL PURPOSE MACHINE (SPM)

Accurate cutting. Smooth operation. Built for productivity.

SPECIAL PURPOSE MACHINE (SPM)

Consistent feeding. Improved speed and accuracy.

ROTARY TABLE (TURN TABLE)

Reliable indexing and smooth rotation for efficient operations.

CONVEYOR SYSTEMS

- Flat Belt Conveyor (Angular, Vertical, Horizontal)
- Knife Edge Conveyor
- Roller Conveyor

Versatile conveyors for seamless material handling.

DESIGN SERVICES

- Fixture Design
- SPM Design (Pick and Place, Conveyor, Assembly line, etc.)
- Special Tooling Design

Innovative design. Practical solutions. Better performance.

JIGS AND FIXTURE AND TOOLING

Precision tools for consistent quality and repeatability.

TROLLEY AND LIFTING TACKLE

Safe material handling solutions for every need.

BOWL FEEDER / LINEAR FEEDER / VIBRO FEEDER

Reliable feeding systems for various parts and components.

MILLING MACHINE

High precision milling for detailed and accurate operations.

LATHE MACHINE

Superior turning and machining for cylindrical components.

M1TR MACHINE

Versatile machining for multiple industrial applications.

CUSTOM BUILT SOLUTIONS
Tailored to your process & needs

QUALITY ASSURED
Precision. Reliability. Performance.

EXPERIENCED TEAM
Skilled professionals you can trust

ON-TIME DELIVERY
Committed to your deadlines

YOUR PARTNER IN AUTOMATION EXCELLENCE

DESIGN OFFICE ADDRESS
Flat 501, Royal C wing
Bhagyoday Nagar
Kondhwa, Pune - 411048
Maharashtra, India

ASSEMBLY HUB ADDRESS
Shop No.5, Lane No 02
Gulve Wasti, Shanti Nagar
Bhosari - PCMC 411026
Maharashtra, India
